ALL DOLLED UP

Darbie dolls have a pretty good setup. A dream house, endless wardrobe, and non-stop dance parties. But a squad of third graders are out to destroy everything. Maddison, Ivy, and Piper are no match for Darbie and her sisters. Move over mean girls the original plastics are back.

An award-winning monologue that developed into full length production.

Length: 45-60 minutes (The director can increase the musical length if you extend the fashion show face-off scene or increase the number of dance parties, it can also be extended with the high action scenes at the end of the play)

Setting: Alternates between the Doll Dream House and the real world.

Copyright Registration number PA 4-195-148

Video Preview of the musical: <https://newyouthmusicals.com/>
Above you will find a sample of all the songs and a short preview of the musical.

Music: All songs are available in multiple formats with and without vocals. A sample of the score is below and can be made available for all the songs.

Character List

Cast Size Large and flexible cast 28-32+

Writers are happy to write in parts to create a custom sized cast for each production.

DARBIE - (Female) Darbie is the protagonist of the doll story and an eternal optimist. She is sweet-natured, perceptive, complex, and intelligent and cares deeply about her family, friends, fashion, and Ben. Even though she is only a teen she has succeeded at almost every career choice.

Ben - (Male) Has a heart of gold but things only go his way because of good luck; not good planning. He is naive but thinks he has everything all figured out. He adores Darbie, his 'good ideas', and brushing his hair or looking in the mirror.

Fashionista Ben - (M) Fashion is the language he speaks. He is dramatic, over the top, and funny. A likable character that provides comic relief with campy humor.

Stacie - (F) A smart and sassy realist. She addresses the audience directly showcasing her dry humor but rarely shows her sarcasm to her sisters. She stays sharp and level-headed except when it comes to Ben.

Skippy -(F) A likable character that goes with the flow but has the typical emotions of a pre-teen/teenager. She feels confident one minute but freaks out the next.

Chelsea 1, Chelsea 2, Chelsea 3 - (F) Triplets, fun, rambunctious, and adorable. Often hold hands, sometimes fight, play games and they love a good prank.

Rochelle - (F) The doll antagonist of the story, life is never dull when Rochelle walks into a room. She is in a self-inflicted and never-ending battle with Darbie but never seems to win. She pronounces words with her own accent and has a flair for the dramatics. Full of hilarious comebacks and put downs. Has a twin named Ryan.

Ryan- (M/F) Rochelle's twin brother or sister and Rochelle's sidekick that follows whatever Rochelle tells them to do.

Reagan-(M/F) Friend of Rochelle and Ryan, caddy and petty.

Tadd - (M) Little brother of Ben that was discontinued and cast aside. Looks up to his big brother.

Kelly-(F) Disheveled and discontinued little sister.

Z- (M/F) Professional photographer to the stars and the doll family.

Midge - (F) Naive, old fashioned, stuck in the 1950-1960s- snorts when laughs. A loveable character brings a fresh and often funny point of view. Wants to have a boyfriend but has been stuck with only Kelly and Tadd for many years.

Alexia the computer- (M/F) Sounds like a computer and adds interest to the real-life mean girls scenes.

FLEXIBLE NUMBER OF PARTS HERE

Storytellers/Fangirls and Fanboys-(M/F) Flexible lines and number of characters - Sloane, Parker, and Blake (script can include Storytellers Lakelyn, Jocelyn, Darren, Everly, Kenna, Gigi) The glue that holds this story together. The words they speak are poetic and thoughtful. Characters that give a story-like feel to the play. Director note: all storyteller lines can be customized to fit the production and the number of actors. Theater director maintains control as to how lines/parts can be distributed as the storyteller parts are meant to be flexible. Director is welcome to re-name any storytellers.

Doll Newscasters Patti Ann, Axel Rae, and Lily Lane (M/F) Break the news of the possible discontinuation of Darbie Dolls franchise. Provide theatrical and lively commentary on their predicament and the future.

Madison - (F) Queen bee of the third-grade mean girls of Sparkle City. She is spoiled, self-absorbed, and too grown up. Worried more about the future than being a kid. Top Darbie Doll and social media influencer.

Ivy - (F) The nicest of the mean girls, a loyal friend even when she is treated poorly by the other girls. Desperately trying to fit in. Her favorite hobby is face masks and making social media videos.

Piper - (F) Mean girl that acts like a teenager.

Emerald - (F) Sell, Sell, Sell CEO, (Madison's mom), Type A overachiever who forgets to put her daughter's happiness and childhood first.

Cash - (F) CEO's Husband and Madison's dad, a softie.

Macy or Matt-(M/F) Young child at a party that teaches Madison to be a kid again. Sweet and playful.

DON'T MAKE MADDIE MAD SONG

If you want to sell your dolls

If your job matters at all

If you don't want your dream to fall

Don't make Maddie mad

If you want to sell your toys

If you want financial joy

There's one kid you can't annoy - Don't make Maddie mad. Oh, no.

'Cause Maddie has a billion fans

Who crown her as their queen

Your destiny is in her hands

Don't ever treat her mean. Oh, no.

When your doll makes its debut

When you submit for her review

Is it gold or is it doo?

Don't make Maddie mad

She decides how dolls will do

In the store or in the loo

There's one thing you cannot do

Don't make Maddie mad

Before you speak your salutation

She's made her evaluation

If your latest doll creation

Takes a permanent vacation

Don't. Make. Maddie. Mad. Mad.

The best doll you ever had

Turned out to be a fad

Just 'cause you made Maddie mad!

(Enter Dolls)

DARBIE

Okay, enough dancing let's watch TV

(clicks TV remote)

NEWSCASTER PATTI ANN
Breaking news. This just in. Manufacturing of the Darbie
dolls has stopped.

NEWSCASTER LILY LANE
Not enough little girls play with Darbie dolls anymore and
influencer Madison just released a video to her 10 million
fans telling them not to buy Darbies. Let's hear from
newscaster Axel Rae.

NEWSCASTER AXEL RAE
Unless the SELL SELL SELL Toys sees an uptick in imaginative
play all production lines are told to freeze manufacturing.
The CEO might discontinue the Darbie Franchise.

NEWSCASTER PATTI ANN

Dolls if you're listening. We have to form a plan. So we're not extinct.

NEWSCASTER AXEL RAE

You mean...discontinued.

NEWSCASTER PATTI ANN

Yes, discontinued. If Sparkle City... and all cities show a demand for new dolls, manufacturing will restart in time for the holiday season. Now a word from our sponsor.

(mimes being stuck in box)

CHELSEAS

(Huddle up/hug and look at each other scared)

DARBIE

BEN

I'll save you

(Stacie and Ben remove box and throw it)

DARBIE

Guys. We're not going to be put on a shelf like a porcelain doll. The news is always overdramatic. Relax... we should have a pool party.

SKIPPY

Okay

(all except Stacie agree)

Let's set up for the party.

(Darbie and the other sisters leave)

STACIE

(To audience)

Sometimes I just need a... break. If this is the end I need you to know a few things. I HATE the color pink... I know it's almost as shocking as my nail polish color and also Darbie can't fix everything. It's not always like...

STACIE (CONT'D)

(Said like a valley-girl)

"Hi, I'm Darbie, welcome to my dream house. Let's have a pool party".

(crazed Ha, ha, ha laugh)

pheww!

SCENE 4: PERFECT PREP GIRLS AND THE IVY LEAGUES

(Location Real-World Madison's bedroom)

(Storytellers, MADISON, IVY, PIPER, EMERALD, CASH)

STORYTELLER PARKER

Could the remaining Darbies be stuck in a four-walled pink Jail?

STORYTELLER BLAKE

aka THE BOX

(points to Doll box on stage)

STORYTELLER SLOANE

We now go inside the real-world home of Sell, Sell, Sell CEO Emerald...

STORYTELLER LAKELYN

who lives with her husband Cash and her daughter Madison.

STORYTELLER PARKER

Madison is a top Fashion Doll influencer.

STORYTELLER KENNA

Because of her mom, she reviews Darbie products before they are released in stores.

STORYTELLER BLAKE

We are in the room of Emerald's daughter Madison and her two best friends Ivy and Piper.

(Exit storytellers)

MADISON

What college do you want to go to?

IVY

I don't know, Madison. Aren't we a little young?

MADISON

Well, I'm glad you didn't say Harvard. That would be dumb. They only accept 3%... sooooo

PIPER

So that means 97% of people that apply won't get in.

MADISON

DUH

(eye roll)

IVY

We're only in third grade- how do you know everything?

MADISON

I guess I was just born smart.

(big smile-sassy-hand behind head) (EMERALD and CASH walk into their bedroom)

Hi, Maddie bear

MADISON

(Rolls eyes)

Hi, Father

EMERALD

Madison, Ivy, Piper. Did you finish all your studying? I want to make sure you get perfect grades on your...

MADISON

We're about to start.

EMERALD

Don't forget to create a business plan for your non-profit

MADISON

Fine Mother

(elongating mother)

Why are you home so early?

EMERALD

We had to do some layoffs at work today. We're trying to figure out what to do with the Malibu Barbie Franchise.

CASH

Why don't you play with Malibu Barbie anymore?

(hands her a doll)

MADISON

More like Dumpster Barbie

(throws away the doll holding it by the hair and walking by a small trash can and throwing it)

DARBIE

(real-life Barbie drops and rolls into bigger trash can by the side of the stage)

PIPER AND MADISON

(Laugh)

CASH

Sweetie, you used to love Barbie Dolls

(Shakes head/sad)

(Cash and Emerald Exit)

IVY

What were your parents talking about? A non-profit?

MADISON

My mom says I have to get a "change-the-world"

(in air quotes)

kind of scholarship.

PIPER

That means we have to start on it RIGHT NOW. My college advisor says I should start my own non-profit too.

IVY

It's nice to help people.

MADISON

Yeah, I know. But the problem is you have to be at least 13 to volunteer

IVY

But we're only 9

PIPER

I guess we have to wait a few years

MADISON

What a waste

IVY

To de-stress... maybe a facemask

PIPER

Or make a TikTok video

MADISON

Yeah. Get the phone.

(Girls dancing around making a video)

SCENE 5: THE EARTHQUAKE

(Rumbling sound effects... sounds like earthquake)

ALL DOLLS

(Dolls shake/unsteady like they are in an earthquake. Items fall to the ground.)

STACIE

What's going on?

SKIPPY

Don't panic, Skippy. Don't panic.

(talking to self- pacing)

DARBIE

I think our house is being moved

SKIPPY

To the basement!

DARBIE

To the basement!

(dramatic)

(Clothing is thrown everywhere. Other items are displaced and thrown on stage. Earthquake sound effects.)

STACIE

(Scared)

Oh no, that's bad!

SKIPPY

And half our clothes have fallen out

ALL DOLLS

Worse. Than. Bad.

BEN

This means war!

FASHIONISTA BEN

(Jumps out from under a pile of clothes out of nowhere)

No one messes with Ben and his closet.

STACIE

You look Ben-Tastic

(in love)

DARBIE

Don't get distracted. What should we do?

(asks Stacie)

STACIE

(snaps out of it)

You're right. Things could get much worse. I hear Taffy barking like crazy.

(Noise dog barking)

SKIPPY

He must have fallen out... when Madison moved our house

BEN

(a pained yelp/scream)

Ahhhh, oh no T-t-t-t-affy. He was the best dog.

STACIE

If Madison and her fans play with us again, we can tell the basement Buh-Bye.

(waves)

ALL DOLLS

Buh-Bye. Buh-Bye. Buh-Bye. Buh-Bye.

(staggered how they say Buh-Buh-wave)

DARBIE

One stellar product review could save us.

SKIPPY

And we won't be discontinued like Tadd, Kelly, Midge and so many others.

(Tad and Kelly pop out everyone's startled - they look dusty and their hair is sticking up-Sisters and Bens looked startled like they've seen a ghost)

DARBIE

Tad! Kelly?! we haven't seen you since 2008.
Midge it's been since like ...

MIDGE

1963

TADD

We've been here for years. When we got taken off shelves and

MIDGE

Just Tadd and Kelly

DARBIE

Do you have a boyfriend?

MIDGE

No *(Shakes head no looking sad)*

(she begins to sing)

ORDINARY TEENAGE GIRL SONG

Director note: Can be sung acapella-like the sample- or with

SKIPPY

We can't let that happen to us

BEN

With muscle tone and a tan like this, I was meant to be noticed

(Flexes muscles)

STACIE

Oh, Ben

(in love- hand on muscle)

that's so true

FASHIONISTA BEN

So... what's the plan?

BEN

I have ideas

DARBIE

Okay, spill

BEN

First, we gather up all the paper in the house- make signs and start picketing.

DARBIE

Picketing?

BEN

Like what people do to get votes. Or, to change a law.

DARBIE

(Annoyed)

Ben, I know what picketing is, but how is that going to help?

SKIPPY

We're trying to get little girls to play with us again, I'm not sure picketing should be part of the plan.

BEN

Ben, what if we jump in the toilet and get them to fish us out?

FASHIONISTA BEN

Great idea, Ben. That will get them to notice us.

How brilliant
STACIE

(claps)

EWWWWWWW
DARBIE

That's a great way to get them NOT to play with us!
SKIPPY

And what if we get...
CHELSEA 1

flushed!
CHELSEA 1-3

(dramatic and scared holding hands)

Let's make a list of all the reasons that stop them from
playing with dolls
MIDGE

I've got it
BEN

FASHIONISTA BEN
(Points to Ben)
He's got it

Wait for it...
BEN

(Everyone stares and Ben starts brushing his hair)

BEN (CONT'D)
(while brushing hair)
1, 2, 3,

(looks in the mirror)
8, 11

(counting the brushes)
Oh, yeah. Here it is... a way to get more girls to play with
dolls is Darbie could have a different

(said slowly)
career path.

FASHIONISTA BEN
Yeah, that could work

STACIE

Darbie has already done everything. She's been an astronaut.

(Director's note: DARBIE, FASHIONISTA BEN, and BEN act in between each career-next part is at a very fast speed-ask if you have questions it's a bit hard to communicate we have a video sample)

FASHIONISTA BEN

Cheleas sticking tongues out at each other and hiding behind taller dolls popping head out and chasing after each other)(Everyone starts fighting- back and forth come Ben- that's a terrible idea- why doesn't anyone listen to me... back and forth)(Z pops out of nowhere starts taking photos- fighting stops as they fake smile and pose)

MIDGE

Golly gee, who are the Kar Flash-ian dolls?

SKIPPY

Midge, You've missed a lot

(chuckles)

MIDGE

Like what?

(snorts and laughs)

DARBIE

Well, we do text messages now and write out our conversations

SKIPPY

Instead of calling each other

MIDGE

Like the telegraph? But I bet you watch movies on enormous screens now. So much bigger than in the 60s.

STACIE

Actually...we watch movies on our phones.

SCENE 8: MODEL CHALLENGE FACEOFF

(Doll world, Runway fashion)

(All Dolls)

DARBIE

(exhale)

We have to work together

ROCHELLE:

How can I trust you? I doubt you even know the difference
 between plaid and gingham.

*(angry stare at DARBIE) (everyone gasps as if this is
 the worst insult)*

DARBIE

The difference is quintessential to fashion. Let me break it
 down for you.

(Talks fast, smart, and authoritative)

Plaids feature vertical and horizontal stripes whereas
 gingham has squares arranged in rows and columns. The word
 plaid comes from the Scottish term meaning "blanket".
 Furthermore, plaids often appear on wool that is thicker and
 gingham is printed on lightweight fabric.

(Slow it back down)

This doll knows her fashion.

(dolls clap)

ROCHELLE

Well bless your heart.

(T in heart is over-enunciated)
 Fine, you understand. But I totes have better ideas. This
 isn't a cas you al

(casual pronounced strange)
 situation... this is serious.

(overdramatic facial expression)

BEN

What if you challenge each other to a duel?

RYAN

You mean a catwalk Face-Off? The winner will act as project
 manager.

STACIE

Freeze. Someone's coming downstairs.

(Everyone except Kelly, Tadd, and Stacie freeze)

KELLY AND TADD AND STACIE (CONT'D)

*(freeze in 3 quick different positions like they are
 doing the robot- then freeze- Stacie keeps almost
 seeing them do the robot)(Whole cast except Stacie
 freezes-Stacie addresses the audience)*

STACIE (CONT'D)

Yeah, no ones coming. I just had to talk to you. Does the
 fate of our species really come down to a model challenge?
 We're doomed.

(Rolls eyes)(addresses dolls)
 False alarm everyone.

(extra cheery fake smile- waves hand in air)

ALL DOLLS

(Everyone exhales and starts moving)

MIDGE

Catwalk Face-Off, Old Fashioned rules: Walk, pose, and score

STACIE

How exciting

(winks at audience-fake encouraging)

BEN

Scores are tabulated at the end

I've got this

DARBIE

ROCHELLE

(looks pained and hyper and jumping-touching hair)

DARBIE

(Darbie walks halfway then gives a puzzled look to the chocolate prompt like she doesn't know how to complete the walk, shrugs shoulders then walks off.)(Judges put hand over the head of Darbie and everyone claps-then they put their hand over Rochelle's head and Darbie goes crazy clapping for Rochelle-Darbie shakes the hand of Rochelle)

BEN

Rochelle is our winner.

(Ben puts arm in the air like a boxer winner)

ROCHELLE

My name is Rochelle

(Rolls her R)

STACIE

Okay Rochelle

(rolls R dramatically)

How do you want to handle this last Darbie on earth situation?

ROCHELLE

I have a stellar plan, come here.

(motions to everyone)

(All dolls gather around Rochelle and whispers. Rochelle looks authoritative giving directions. All in whispers)

*(All exit stage except Darbie, Stacie, and Skippy)
(Rochelle disagrees with her sisters and they storm off)*

SCENE 9: SISTER TALK

(Stacie, Darbie, Skippy)

SKIPPY

Like, why did you let Rochelle win?

STACIE

She's so mean to you... why did you let her get away with it?

DARBIE

I didn't let her get away with anything. The thing is, Rochelle has a tough life. She's always in competition with her twin. She's just one half...of a whole.

SKIPPY

She just always wants more attention?

(questioning like she's not sure if she's right)

DARBIE

Precisely. I just trigger her need to compete. It's really not about me... it's about her.

STACIE

Insightful

DARBIE

She's a textbook narcissist with passive-aggressive tendencies.

SKIPPY

When did you learn to psychoanalyze?

(surprised)

DARBIE

At Stanford of course.

(pause)

Corporate sent me to get my PhD in psychology but then decided it wasn't a "marketable" Darbie brand. Oh, and I can tell all about someone's personality based on their lipstick color choice...

(Cocks head, thinking)

Don't trust anyone that wears mauve or tangerine shades.

(serious)

SKIPPY

Yeah, tangerine is NOT the new pink

STACIE

Darbs, what other professions don't we know about?

DARBIE

I am also a trained truck driver, hedge fund manager, and plumber but...

(sisters start walking off stage)

SKIPPY

Yeah, not really on brand...

DARBIE

Exactly

(Skippy and Stacie exit)

ALL DOLLED UP-NO WHERE TO GO SONG

DARBIE: TAKE A LOOK, I'M REAL STRESSED

CURL MY LASHES, I'M A MESS

PAINT MY NAILS, MAKE THEM SHINE

THERE'S NO TROUBLE, I CAN'T MAKE MINE

MY SKIN IS PERFECT, BUT WHO CARES

BEN: ARE YOU OKAY?

DARBIE: NO, I FEEL LIKE EVERYONE'S COUNTING ON ME TO SAVE THE DARBIE FRANCHISE BUT I DON'T KNOW HOW

BEN: RELAX, WE SHOULDN'T LET A LITTLE THING LIKE POSSIBLE TOTAL ANNIHILATION OF THE DARBIE UNIVERSE GET US DOWN

BEN: YOU'RE THE GIRL WHO ALWAYS PREVAILS, WHATEVER THE PROBLEM ENTAILS... YOU'RE NOT ALONE, I'LL ALWAYS BE THERE.

YOU'LL ALWAYS HAVE YOUR FAMILY AND THEY ALWAYS WILL CARE. MADISON IS HARD. BUT WE'LL HIT BAD EVEN HARDER BUT SITTING 'ROUND AND SULKING IS A MAJOR NON-STARTER. SO LET'S RUN. I'VE GOT A GREAT PLAN. COME ALONG WITH ME, WE'LL ALL JOIN THE CLAN.

BEN AND DARBIE: ALL DOLLED UP AND READY TO GO. ALL DOLLED UP AND HERE I GO. GO-OOO-OOOO. ALL DOLLED UP AND READY TO GO. HERE I

BEN: GO GO GO GO GO. AHHH (IN LOVE)

PIPER

Yeah, the chances of being hit by an asteroid are higher

(looking at nails)

MADISON

So she doesn't understand why I would play princess

IVY

(Looks ashamed and sad)

PIPER

Facts. We don't even have the royalty gene

MADISON

If you want to live up to your name and get into the Ivy leagues, you should stop being so... basic.

IVY

(Looks sad and runs off)

SCENE 11: SPOILED ROTTEN

(Real world, MADISON, IVY, PIPER)

MADISON: AT LUNCH, WHO IS THE FIRST IN LINE?

IVY & PIPER: ME, ME, ME

MADISON: IN VOLLEYBALL, WHO GETS TO SHINE?

IVY & PIPER: ME, ME, ME

IVY: NOT SHE

MADISON: NOT ME

PIPER: NOT WE

MADISON: WHO PLAYS FAIR IN EVERY GAME?

IVY: NOT SHE

MADISON: NOT ME

PIPER: NOT WE

MADISON: IF I SHOULD STEP UPON YOUR TOES,

IVY & PIPER: WELL, THAT'S JUST THE WAY THAT IT GOES.

MADISON: WHEN I SING, MY EVERY NOTE IS

IVY & PIPER: ME, ME, ME

MADISON: IT'S ALL ABOUT

ALL: ME!

SCENE 12: BE BRAVE

(Dream House ROCHELLE, CHELSEAS, STACIE, TADD, BENS, MIDGE, DARBIE)

ROCHELLE

Huddle up

(dolls come together)

The next series of tasks will break down Madison's adult tendencies and rebuild her as a kid again.

TADD

So she likes dolls again?

STACIE

And give Darbies a good online review?

BEN

And manufacturing restarts?

ROCHELLE

Duh... yes, yes, and also yes. It's T-I-M-E for Operation Darbie Domination

CHELSEA 1

I'm scared

DARBIE

We need to be brave

STACIE

Like wearing blue eyeshadow brave

DARBIE

Braver

TADD

Like wearing plaids and stripes together brave?

BENS

NOOOO- AHHH

(act like someone dies overdramatic)

DARBIE

Closer

MIDGE

Braver than wearing white on someone else's wedding day?

DARBIE

Yes, exactly

ALL

(Gasps overreaction)

MIDGE

Oh my stars

(hand to head like she's going to faint)

SCENE 13: FACE MASK PROBLEMS

IVY

My favorite, thanks for bringing a new face mask

PIPER

MADISON

(Grabs facemask-Puts facemask on- takes off after a few seconds - red stickers/dots appear to show skin irritation Maddison starts itching)

IVY

Umm, your face (points at Madison's face)

(making a yes motion with arms)

ROCHELLE

Wait, wasn't the goal to get her to play with us? It clearly DIDN'T work.

(Other dolls enter)

BEN

We make a good team. Right?

(motions to other dolls)
